

# Bachelor's Degree in "Animal Care – [Tutela del benessere animale]"

## COMPANY TUTOR'S TRAINEESHIPS ASSESSMENT SHEET

Surname and first name of student assessed: \_\_\_\_\_

Surname and first name of the company tutor: \_\_\_\_\_

Dear tutor, please indicate a score from 1 to 10 (where 1 means very poor and 10 means excellent) for each activity conducted by the student at the host organisation in the following board.

We would like to inform you that your assessment will remain strictly confidential and will not be communicated to the student for any reason. Your assessment will be used to assess the overall result of the student's traineeship, along with the University Tutor's assessment and an interview that the student will conduct with the Traineeship Evaluation Commission.

The present assessment sheet, duly completed and signed by the Company Tutor, needs to be in a sealed envelope displaying the host organisation's stamp and the Company Tutor's signature and delivered to the student. The student must then deliver it, along with the Traineeship Diary within 30 days of the traineeship concluding and, in any case, at least 45 days prior to the final exam session date.

ASPECTS TO ASSESS	SCORE
Achievement of the Training and Orientation project's objectives	
Integration with the other host organisation's operators and teamwork skills	
Sense of responsibility	
Actual attitudinal predisposition and basic knowledge necessary for the functions operated	
Knowledge of animal welfare principles and the ability to put them into practice	
Organisational, decisional and initiative skills	
Communication skills
