

## Bachelor's Degree in "Animal Care – [Tutela del benessere animale]"

### STUDENT'S ASSESSMENT ON THE TRAINEESHIP EXPERIENCE AT THE HOST ORGANISATION

Please score each item on a scale from 1 to 10, where 1 means very poor and 10 means excellent.

ITEM	SCORE
How satisfied are you with the overall traineeship development?	
Were the activities actually suggested to the student consistent with the training project objectives?	
Did the activities suggested to the student support the acquirement of useful skills in the chosen sector and were they consistent with the degree course themes?	
Was your previous knowledge sufficient to carry out the traineeship activity?	
Was the host organisation's staff responsible for the student's activities available to give explanations, clarify doubts, discuss salient and critical aspects with the student?	
Were the activities objectives and modalities presented clearly?	
Were the traineeship modalities (e.g., hours, location, dates, reference professors) observed?	

If the traineeship activities required integration with other people, please provide an assessment in the table below using the same scale used for the previous board. If they did not, write an "x" in the NA (non-applicable) box.

ITEM	SCORE	NA
Was the integration with the host organisation's staff facilitated?		

Other considerations - significant aspects that emerged during the traineeship period (OPTIONAL):
