STUDY ABROAD OPPORTUNITIES

Do you fancy spending a period abroad during your studies?

Join our meeting specifically dedicated to international students.

We will present an overview on the opportunities offered by UNIPD and we will give you all the tips to plan this experience in the best way possible.

INTERNSHIP OPPORTUNITIES

Start to build your career with internships! This module will introduce you to the ins and outs of a supervised and structured learning experience in an Italian or international work setting. The Career Service, together with the International Desks, will guide you through the procedures and share useful tips for your internship experience.

MEETING POINT

Join our Meeting Point - an exciting gathering to get-together among 1st year International Students. It will be an occasion for a follow-up on the first semester of your academic career at Unipd and our Department/School. A moment to enjoy, share experiences, be more informed, get to know one another and our tutors and also talk about any challenges you might be facing.

HOW TO GRADUATE

Almost there! The final step of your student journey is the final examination. We will guide you through the procedures for your graduation: how to request a supervisor, how to apply in Uniweb, important deadlines and what to expect during the graduation session.
